Welcome to Innovation Laser Clinic! Here's everything you need to know:

Understanding Our Price List:

Each of our treatments come with a recommendation on the number of sessions needed for the best results.

Skin health and beauty are a journey — and we're here to guide you every step of the way.

All prices are listed per session unless otherwise noted.

Want to understand more about how each treatment works? Visit our website for detailed info on processes, benefits, expectations, and frequently asked questions.

Curious? WhatsApp Us!

Need more info or not sure where to start? We're here for it! Pop us a message during business hours — we'll get back to you as soon as we can. (**Note:** we give each client our full attention, so responses may not be instant — but we always respond!)

Exclusive Free Consultation:

Let's make it personal. Book a free consultation and we'll assess your skin, chat through your goals, and recommend a treatment plan that makes sense for you. **Note:** consultations are by appointment to ensure you receive the attention you deserve.

Before You Message:

We know it's exciting — and we love that energy! But we do encourage you to take a peek through this price list and our website first. You might just find the answers you're looking for and it'll make our chat quicker and more helpful for you, too.

We're Easy to Find:

You'll find all our contact details, business hours, and location info on the last page of this Pricelist, our Website, Google, Google Maps, and right on our WhatsApp Business Profile.

Should you have any concerns or suggestions, feel free to email us at info@innovationlaserclinic.co.za.

We're dedicated to providing the best service and making your experience as seamless as possible.

Meet Our Family - The Sister Companies:

Innovation Laser Clinic is proud to be the big sister within a family of three sister companies — and a fourth launching soon, all specializing in Beauty, Aesthetics, Laser, and Wellness services.

Alongside us, you'll find **PMU by Mariske Botha** and **CollaTan Labs**.

Because we offer so much at Innovation Laser Clinic — from Advanced Laser and Skincare to Beauty Treatments — we keep things clear by separating our services into three easy-to-use Price Lists. If you've received one and need another, just ask and we'll send it your way.

We hope this guide helps you navigate our services with ease. We at Innovation Laser Clinic are excited to be part of your journey to beauty and wellness. Let's create something beautiful together!
